- 90° Rotary Position Adjustment

Doctor-patient communication
The 90°rotation creates a good communication environment for doctors and patients, which helps to cultivate mutual trust between doctors and patients.

- **Full back support**

  Patients won't get any fatigue during a long period operation.

- **Fiber Leather**
- **Memory Foam**

- **Metal cast aluminum backrest**
- **Multi-angle adjustable headrest**

- **Suspended -** offering large legroom
- **Folding -** space economical
- **Ergonomic synchronized position**

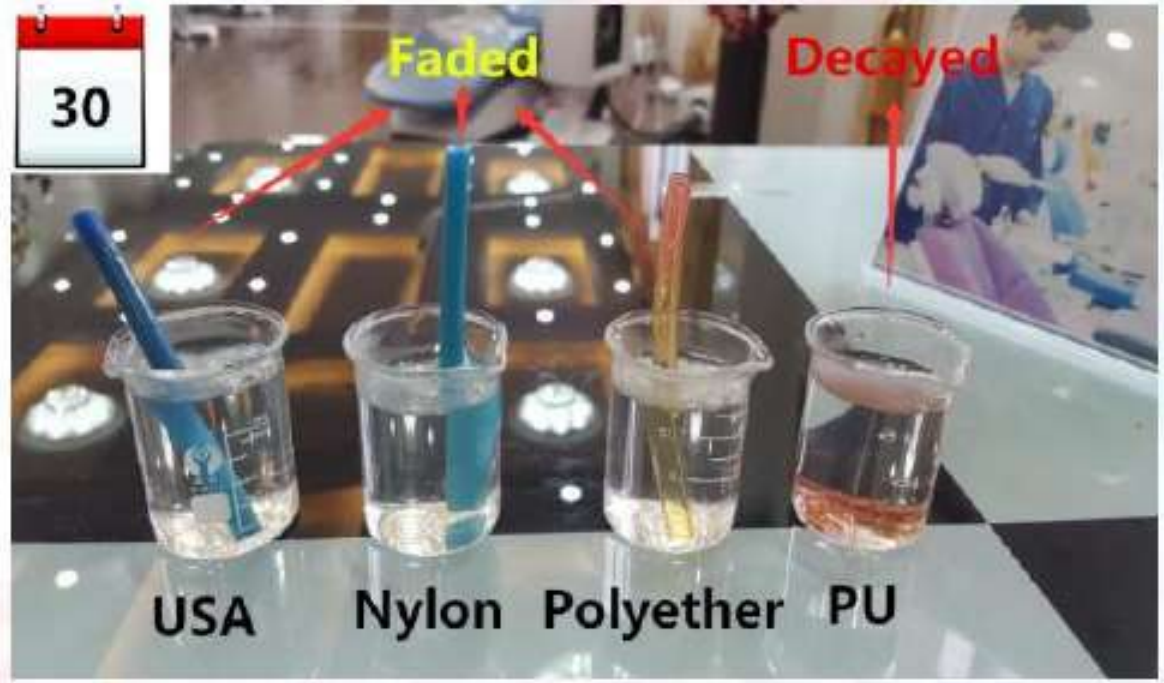

Imported USA hydrolytic resistance water/air tube,7 years or even longer life span.

Testing of water & air tubing with strong acid

Day 1

After 30 days...

After one month, the "normal PU tube" was broken and corrupted. At the meantime, the "imported USA tubing", "polyether tubing", "nylon tubing" just became transparent, indicating that they are very durable.

Voltage regulator stabilizes electric current

and increases life span of the machine.

- **Denmark LINAK motor**

- **Italian air filter regulator**

- **Italian CEME solenoid valve**

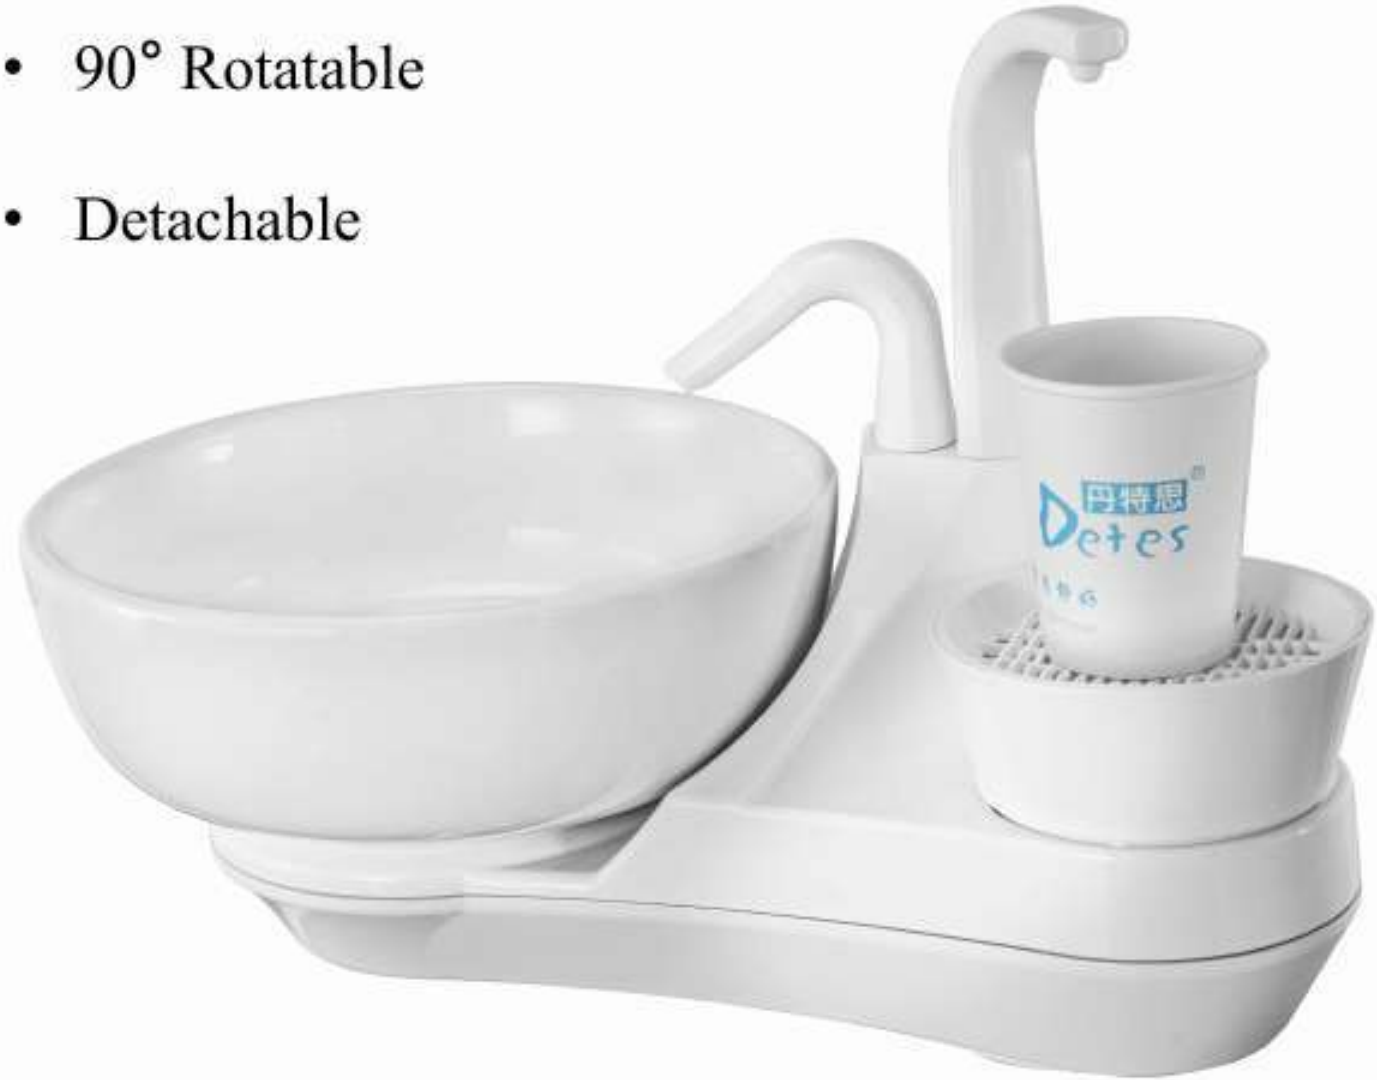

Soft silicone mat of the pillow, dirt-proof,

easy to clean.

- Programmable setting the time of cup water supply and spittoon rinsing

- Ceramic Spittoon
- Easy to clean
- Warm water supply system
- 90° Rotatable
- Detachable
