Patients won’t feel uncomfortable during chair movement.

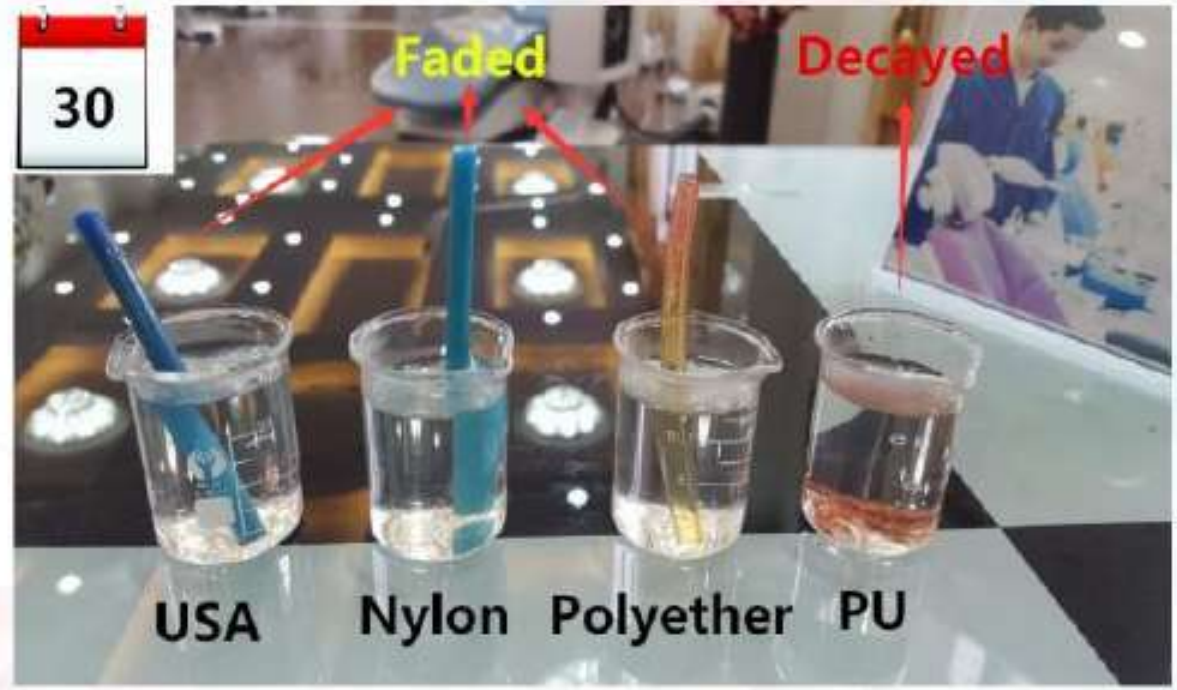

Imported USA hydrolytic resistance water/air tube,7 years or even longer life span.

Testing of water & air tubing with strong acid

Day 1

After 30 days...

After one month, the "normal PU tube" was broken and corrupted. At the meantime, the "imported USA tubing", "polyether tubing", "nylon tubing" just became transparent, indicating that they are very durable.

Voltage regulator stabilizes electric current and

increases life span of the machine.

- **Italian air filter regulator**
